

Scrip Fundraising

Earn money when you shop!

Families, start earning with Scrip today without spending a single additional penny! Just spend your regular shopping dollars with Scrip gift cards at participating stores, and earn money for your student's music trips and uniforms.

Scrip is gift certificates from national and local retailers, the same gift certificates that you buy at the store. Scrip can be used for food, clothing, entertainment, gasoline and even dining out.

Scrip participating retailers sell gift certificates to SHMA at a discount. Member families purchase the certificates for full face value, they redeem them for full face value, and the music association keeps the difference in your family account. Then SHMA applies your family account for trips and uniforms.

The company we use is Great Lakes Scrip Center. On their website, ShopWithScrip.com, you will find a complete list of all of the businesses that offer scrip and their percentages that you earn through purchasing their gift cards. Percentages range from Arco at 1.5% and Chili's at 11%, to See's Candies at 20%.

The SHMA will only retain 0.75% of the full value purchased in order to offset the expenses of running the fundraiser. The rest will apply to your family's copays for trips, uniforms, etc. (Sample: a retailer has a 4% rebate, you will receive 3.25% and SHMA will get 0.75%.) You will be able to check on what you have earned through ShopWithScrip.com, please just keep in mind that the 0.75% deduction is not reflected on the ShopWithScrip site.

See the "Steps to Order Scrip" on the back.

Tell your family, friends, and neighbors. Anyone can order SCRIP! If they don't have a Salinas High music student of their own, they can donate the profits to SHMA, or choose to support their favorite music student.

If you forgot to make your order on Sunday night, come on down to Starbucks on S. Main Street on Wednesday evening. We might just have the gift cards you want on hand.
